

Homework

Exercises

1. Sortable Lists in Rails

Read the Sortable Lists in Rails gitcast <http://www.gitcast.io/mcroe/sortable-lists-in-rails>

2. Jukebox (part 4)

Starter code for this exercise is provided in the `jukebox` directory. Read through `jukebox/README.pdf` for instructions. You may (and should) complete this exercise in a group of two.

Delivery

Show your code for exercise 2 (Jukebox) to Mitch or another TA. They will review your code and mark it as complete for you.
